

I-64 Bridge Over Vandeventer

Bridge Repair Project

Please Note: Construction is scheduled to be complete by Memorial Day Weekend. The contractor does have a financial incentive to complete the project early. Crews will be working around the clock to complete the project. Two lanes will remain open to through traffic throughout construction. During the first stage of construction, the Papin St. on-ramp to eastbound I-64 will be closed. Traffic will be detoured to northbound Vandeventer Ave. to eastbound Forest Park to access eastbound I-64.

Questions or Concerns, please contact:
